The Alliance of Cardiovascular Professionals (ACVP) represents more than 3,000 professionals serving in all areas of cardiovascular care. ACVP's strength lies in the fact that we have combined all of the cv specialties and disciplines. This diversity provides a rich resource for learning, networking, and a strong voice in the field. ACVP is a unique catalyst for advancement. Information and learning takes a leap forward with ACVP.

ABOUT CARDIO CONFERENCES

With all of the pressures facing cardiovascular professionals today, there has never been a more important time to come together to learn, network, and support each other to make advancements in your own career and supporting patients.

The Alliance of Cardiovascular Professionals brings you regional meetings to provide you with information, networking and support.

CONFERENCES FOR YOU

If you are a nurse, technologist, RT, Manager, Administrator or work anywhere in cardiovascular services, this program is for you!
